

# YOU CAN ALWAYS CRY ON MY SHOULDER

JEROEN BUSE - EVA STARRENBURG

## You Can Always Cry On My Shoulder

There you sit, so weak, so sad  
All curled up, so fragile, feeling so bad  
It has never been colder  
My friend, you can always cry on my shoulder

I remember, so proud you were and so strong  
So full of life, the world for you to belong  
I see your sadness and it breaks my heart  
To see your world so fallen apart  
It has never been colder  
But you can always cry on my shoulder

Stay strong, my friend  
Belong, my friend  
For day after day  
Your hurt will melt away  
And if things ever get colder  
You can always cry on my shoulder
